society for general Microbiology

Membership no.

Application for School Corporate Membership

for subscription year January to December 2009

Membership of the Society for General Microbiology is open to any primary, middle or secondary school, Sixth Form or FE College in the UK or Ireland which is involved in teaching microbiology. School Corporate Membership benefits include:

- *Microbiology Today* magazine – keep up-to-date with current microbiological topics, provides ideal background information for post-16 biology students
- Priority mailings of SGM educational resources and activities
- Discounted fees for all SGM training courses and workshops
- Free careers literature, advice and website
